

Vote for Fera Dayani and J.D. Garcia for CA Democratic Party Delegates in Assembly District 7

Who We Are

Fera Dayani grew up as a child of Afghan immigrants and her family struggled with poverty. The persistent assault on the poor, middle class and public assistance programs is why Fera is committed to fight for economic equality for all.

Justin (J.D.) Garcia is an environmental scientist and proud union member. He cares deeply about leaving a habitable planet with functional ecological life-support systems for future generations and fair treatment for all members of our society.
